Post Office Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Petitioners respectfully request reconsideration of the decision to dismiss the “Petition For Revival Of An Application For Patent Abandoned Unintentionally Under 37 CFR 1.137(b)” submitted by Petitioners on July 20, 2007. This petition included: (1) an Amendment to the outstanding Office Action for the above-identified application; (2) the petition fee; (3) a statement that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional; and (4) noted that no terminal disclaimer was required. In the decision on this petition, the Office requested a statement of facts as to the cause of the delay between the date the applicant was first notified that the application was abandoned and the date a 37 CFR 1.137(b) was filed along with how such a delay was unintentional.

Accordingly, accompanying this renewed petition is a, “Declaration of John Campa” which provides the requested statement of facts along with how such a delay was unintentional with respect to the above-identified patent application. In view of the previously submitted petition and this declaration, Petitioners respectfully request the Office to reconsider and revive the above-identified patent application.
